

# HARD WORK NO SWEAT!

WORKSENSE

Breeze through your working day with  
**KOOLFLOW** by Worksense

WS9186498

The Sun's heat. Body temperature. Fluid intake. Rest breaks. You have to take them all into consideration when you're working hard. But here's something that makes it easy. The Kooolflow work shirt from Worksense.

Rugged but lightweight cotton, generous fit, and most important of all, a series of innovative and strategically placed ventilation panels that help you stay cool all day long.
