- Quick and easy lens replacement

9302-345

9302-390

uvex Point of Difference	Benefits
uvex supravision excellence	Extremely scratch resistant on the outside and anti-fog resistant on the inside.
uvex supravision THS	Superior anti-fog on both sides of the lens
Dual component technology (made of soft and hard materials)	Allows for a better face seal whilst the soft material does not irritate the skin
Available with RX insert for prescriptions	Achieves a better face seal for prescription wearers
Available in 3 ventilation combinations and 2 different lens tints	Gives user a wider selection of product to choose from for comfort
